The California Health and Human Services Agency held the groundbreaking ceremony for the California State Employees Partnership with Sacramento Habitat for Humanity Build. Nearly 100 government, community and civic leaders, and state employee representatives attended the rollout event.

Our next goal is to ensure that this volunteer opportunity receives maximum exposure among State employees. Therefore, I am requesting that your department place a link to the partnership website on your Internet and intranet sites. Attached is the logo for the Governor's Office on Service and Volunteerism (GOSERV) and the project's URL.

We also would appreciate your assistance in informing your department employees about this volunteer opportunity by including information about the project in your department's print or online newsletter or bulletin.

The project is currently in the site development phase but there are many volunteer opportunities available. Employees who wish to volunteer are encouraged to sign up online at <http://www.goserv.ca.gov/volunteer/hh.asp>.

Thank you for your interest in this project. For assistance or additional information, please contact Joyce Whiten or Barbara Rivers on my staff at (916) 654-3304.
